## WHAT IS THE SC BLUES FEDPAC?

The SC Blues FedPAC provides us a platform to speak to lawmakers — in a unified voice that they will hear. It gives BlueCross a stronger voice in Washington. It also gives employees a way to participate in the political process. SC Blues FedPAC contributes to candidates and elected officials who are open to our views on healthcare policy issues that are important to BlueCross, our members, and our employees. These contributions are made in accordance with election laws regardless of party affiliation. Participation in the PAC is completely voluntary and is not favored or disadvantaged in anyone's employment because of a decision to participate, the amount of participation, or a decision to not contribute at all.
